

**Rotary Action Group for  
Reproductive, Maternal  
and Child Health**

**Collaborative Action in  
Lowering of Maternity  
Encountered Deaths  
CALMED**

### **Technical Expert - *TENA* - Networking Alliance**

CALMED is growing -it is going global, in alignment with programmes of RMCH Rotary Action Group

It has developed into T.E.N.A. The 'Technical Expert Networking Alliance'

### ***TENA – Evolution from Maternal and Child Health programmes supported by RMCH Rotary Action Group , IRFHP,CADRE in MCH***

1. **VISION** – Reduction of preventable maternal & new-born mortalities, especially in Sub Saharan Africa and South Asia.
2. **MISSION** -

**STRATEGIC** Alliance: Networking of healthcare professionals, within and beyond Rotary plus global organisations ( WHO, FIGO, ICM.....),activists and advocates in MCH care .

**TACTICAL** Alliance: Asset procurement & management – Manpower (technical experts), Alumni, Scholars, Training materials ( Tool Kit ) ,Good practice guide (WHO), Digital Assets .

**OPERATIONAL** Alliance: National/Sub-National level partnership of Rotary Clubs and Districts , Government, WHO ( Quality of Care), NGOs - JHPIEGO , UNICEF ....to

develop high impact programmes ,bridging gaps in care ,adapted to the needs and priorities of the target areas.

***How can you help?:*** *By agreeing to join **TENA**, you will strengthen our ability to bring change in the world where it is needed and to influence the course of progress of maternal and child healthcare in these places .*

*it could be a life changing experience for you.*
